Name \_\_\_\_\_ Date \_\_\_\_\_

Choose and circle 2 websites to analyze from the following and comment below  
(refer to person's name when comparing):

Ex. ml24/jeffers  
ml27/tuesta

1. Is the website builder's name easily visible? Why/not?
2. Is the contact information easy to locate? Why/not?
3. What skills do the sites promote (e.g. coding, javascript, illustration, concept, etc.)?
4. Describe how color work for the sites?  
(Navigation through color coding? Creating atmosphere? Drawing attention to certain details?)
5. Do the site designs seem to confuse or enhance the access to information? How?  
(Image or text-heavy? Long download time? Consistent site navigation?)
6. How effective are the portfolio and resume pages? Why/not?
